WHO WE ARE

A Legacy Built on Precision

Founded in 1946 by K.D. Kohli, TPH Orient Group manufactures printing machinery, consumables, and allied services from a 20-acre campus in Delhi NCR. Under third-generation leadership, we export to over 60 countries — world-class standards, Indian engineering.

SECTION 01

Spare Parts Department

Genuine. Fast. Affordable.

One dedicated department. One promise: your press stays running.

SPARE PARTS · SPD

What the SPD Delivers

Genuine Orient Parts

Only original, manufacturer-certified components — guaranteed to meet the same tolerances as those fitted at the factory. No substitutes, no compromises.

Revised Competitive Pricing

Orient has officially revised spare part pricing across the entire catalogue. Affordable, high-quality, and genuine — your press deserves nothing less.

8-Branch National Network

Service engineers stationed across Ahmedabad, Bangalore, Chennai, Hyderabad, Kolkata, Mumbai, Thiruvananthapuram, and Delhi for fast on-site response.

Secure Packing & Logistics

Layered, robust packaging ensures parts arrive intact — on time, every time, anywhere in India or worldwide via our dedicated shipping department.

SECTION 02

Annual Maintenance Contract

02

From reactive breakdowns to proactive partnership.

AMC BENEFITS

Six Reasons to Choose the Orient AMC

01 Engineer Inspections

Certified engineers inspect, adjust, and identify failing components before a standstill occurs.

02 Proactive Fault Fixing

Targeted fault elimination in advance of a plant shutdown — scheduled, not reactive.

03 24/7 Phone Support

Around-the-clock telephone assistance from Orient's technical team, every day of the year.

04 10% Parts Discount

AMC customers receive a standing 10% discount on all genuine Orient spare parts.

05 Extended Machine Life

Routine maintenance sustains print quality and reduces lifecycle costs significantly.

06 Auto-Renewal

Automatically renews annually unless either party provides written notice to discontinue.

Contract Structure at a Glance

Parameter	Specification
Contract Duration	45 man-days from signing, or 12 months — whichever comes earlier
1 Man-Day Defined As	One full working day (min. 8 hours) per engineer on-site
Half-Day Option	Available — minimum 4 hours constitutes 0.5 man-days
Spare Parts Discount	10% on all genuine Orient parts during the contract period
Telephone Support	24 hours / 7 days per week
Renewal	Automatic annual renewal unless written notice is provided
Coverage	All Orient Presses under valid contract

SECTION 03

Orient NexGen Chemicals

03

Precision-formulated for every type of offset press.

Fountain Solutions · Plate Cleaners · Roller Washes · Storage Gum

Fountain Solutions

COLDSET · NEWSPAPER PRESSES

STANDARD

NexGen News Eco Fount

pH-buffered. Fast plate roll-up, minimises blanket piling. Widely used in high-volume newspaper environments.

PREMIUM

NexGen News Premium Fount

Superior plate protection and roll-up. Mild acid. Reduces water take-up and adds corrosion protection.

ADDITIVE

NexGen Super / X-cel / X-press

Superior, economical IPA additives for coldset presses of all sizes.

SHEET-FED OFFSET PRESSES

UNIVERSAL

NexGen Eco Fount

Strong pH buffer. Rapid roll-up, inhibits corrosion, prevents calcium build-up. IPA reduction possible.

MEDIUM

NexGen Spectra Fount

Stable ink-water balance. Contains calcium blocker and anti-bleeding additives.

PREMIUM

NexGen Premium Fount

High performance. Reduces IPA to 3–6%. Calcium blocker and anti-bleeding additives included.

ALCOHOL-FREE

NexGen One Step Fount

For alcohol-free printing. Complete IPA elimination achievable with correct press configuration.

Plate Cleaners, Roller Washes & Storage

INTENSIVE CLEANER

NexGen Plate Cleaner

Removes scum, toning, ink residues, oxidation, and minor scratches. For full plate restoration.

GENTLE CLEANER

NexGen Eco Plate Cleaner

Intensively yet gently cleans background toning and ink residues. Ideal for routine cycles.

STORAGE

NexGen Plates Storage Gum

NexGen Gum for manual storage · NexGen Pro Gum for CTP/CTCP processor applications.

AUTO SYSTEMS

NexGen AutoWash

For Heidelberg, MAN Roland, Koebau & Baldwin automatic blanket + roller cleaning systems.

PREMIUM WASH

NexGen Premium Wash

Water-miscible to 50% for one-step ink and residue removal. Economical in diluted use.

UV PRESSES

NexGen UV Eco / UV Premium

UV Eco: manual cleaning, good evaporation. UV Premium: manual + automatic, medium evaporation.

ROLLER CARE

NexGen Roller Paste / Liquid

Removes glaze, ink, and paper residues from ink rollers. Revitalises rubber for better ink splitting.

NEXGEN · DIGITAL INKS

High-Performance Digital Inks

Premium UV-curable and water-based inks engineered for high-speed digital inkjet presses — delivering exceptional colour, adhesion, and durability across every application.

UV CURABLE INKS

FAST CURE

Instant UV Curing

Cures immediately under UV light — enabling full-speed production without slow-downs or smearing.

ADHESION

Multi-Substrate Bonding

Excellent adhesion on films, labels, synthetics, foils, and coated stocks without pre-treatment.

COLOUR GAMUT

CMYK + White + Varnish

Wide gamut across process colours. White and clear varnish channels available for premium finishing.

DURABILITY

Chemical & Scratch Resistance

Cured prints resist abrasion, moisture, oils, and common chemicals — ideal for harsh environments.

WATER-BASED INKS

ECO-FRIENDLY

Low-VOC Formulation

Water-based chemistry with minimal volatile compounds — cleaner to run, safer for operators and environment.

SUBSTRATES

Paper, Board & Natural Stock

Optimised for absorbent substrates including uncoated and coated papers, cardboard, and kraft materials.

PRINT QUALITY

Sharp, High-Resolution Dots

Precise droplet control delivers crisp text, fine linework, and smooth tonal gradients at speed.

CONSISTENCY

Batch-to-Batch Stability

Tightly controlled formulation ensures colour accuracy and density remain consistent across long runs.

Compatible with OrientJet C-Series and L & P Series digital inkjet presses · Available in custom configurations on request

WHY ORIENT

The Complete After-Sales Partner

Genuine Parts — Always

Every spare comes from Orient's own plant or a certified partner. No grey-market parts, no compromises.

National Engineer Coverage

10 offices, 8+ branches. Our engineers know your machine because we built it.

Chemicals from the Source

Formulated by the people who manufacture the presses. An advantage no third-party supplier can match.

Structured AMC — Not Ad-Hoc

Convert unpredictable breakdowns into a planned, budgetable annual programme.

ISO-Certified Quality

ISO 9001 certified. 3,000+ quality checks per machine. Certifications in health, safety, and environment.

78 Years of Trust

Founded 1946. Same family, same campus, same commitment — serving our third generation of customers.
